

YES WE ARE DIFFERENT !!

Yes we love to be different because if not, life would be way too boring. We are different in the names we choose for our restaurants. **DOLORES BUT YOU CAN CALL ME LOLITA**
...CRAZY ABOUT YOU. We are different in the way we run our restaurants. We strive to take care of not only your appetite, but also your wallet. We aim to conquer you as our guests forever, not just one night. We will conquer you with our **DETAILS**, our **SERVICE**, our **SMILES** and at the same time you will pay what is just. We are different because we will not inflate your check. Our employees are not authorized or trained to upsell and if at any time you feel that our staff is pushing you to spend more, please contact a manager. So please relax, choose one of our delicious options from the menu and enjoy your meal and company. If for any reason you are not **100% SATISFIED** with what you ordered, please inform your server or the manager and we will exchange it for another entree immediately. If we are to continue to exist as a company, we need you to be completely satisfied and happy with your experience. As a result you will return to visit us and recommend us to your friends and family.
